Dear Ms. Mayer:

The Committee on Oversight and Accountability Subcommittee on Health Care and Financial Services is continuing to investigate the U.S. Food and Drug Administration's (FDA) response to the 2022 infant formula shortage. Based on our investigation, the Subcommittee believes you have valuable information that will inform its understanding of the FDA's response to this crisis. We therefore request that you make yourself available for a transcribed interview.

To schedule the transcribed interview or ask any related follow-up questions, please contact the Committee on Oversight and Accountability Majority Staff at (202) 225-5074 no later than July 12, 2023.

The Committee on Oversight and Accountability is the principal oversight committee of the U.S. House of Representatives and has broad authority to investigate "any matter" at "any time" under House Rule X.

Sincerely,

Lisa McClain  
Chairwoman  
Subcommittee on Health Care and Financial Services
